A great 31 acre tract used for hunting and recreational. Property is very secluded and challenging access, 4x4 will be required. This 31 acres is a great remote hunting property in Real County at an affordable price. There are several blinds and feeders in place, with many trails in place for the hikers in the bunch. This place is set and ready to be used, so don't wait too long.

Listed at \$125,000 **REDUCED.**
